FORTRESS

Nothing is built like a Fortress

When it comes to value, reliability and safety, the choice should be Handicare. The Fortress 2000 scooter by Handicare offers comfort and style, while continuing to meet your mobility needs for both outdoor and indoor use. Standard equipment includes the tried and proven Duro Torque Drive System™, front and rear suspension, high-back reclining captain seat, heavy-duty front and rear bumpers, front and rear lights, and an extra large removable front basket mounted off the tiller. Like all Fortress scooters, the Fortress 2000 series is covered by an industry leading Three-Year Warranty.
